I'm Seeming To Remember  
The Day You Came And Called My Heart  
I Never Thought That This Would Be  
We Were Never Meant To Go This Far  
I Keep Holding On Even Though It'sz Wrong - I Can't  
Help It  
But I Need To Know Should I Stay Or Go  
Cause I'm Looking Out For Me

I'm Falling And I Just Can't Help It  
I'm Falling  
Who'd Ever Thought You'd Be The One That I Want In  
My Life  
That I'd Fall In Love With X2

Breathe In

I've Been Thinkin Bout You Lately  
And All The Thing'sz You Said And Done  
I Never Thought You Were For Me  
I Already Have A Special One  
Since You Came My Way Nothing Feels The Same And I  
Can't Help It  
Do I Stay In Line Or Find The Worst Inside  
All The Words Have Gotta Be

I'm Falling And I Just Can't Help It  
I'm Falling  
Who'd Never Thought You'd Be The One That I Want In  
My Life  
That I'd Fall In Love With X2

In Great Time You Can Just Have It All  
I'll Be Waiting Patienly For You To Call  
I'm Just Looking Out For Me

I'm Falling And I Just Can't Help It  
I'm Falling  
Who'd Ever Thought You'd Be The One That I Want In  
My Life  
That I'd Fall In Love With X2

Breathe In
