I will be more successful than all those that went before  
me

Because the time is right the, the season is right, you  
are right, the conditions are right

We must go free! Now! Now is the time!

Go!

Are you ready?

1, 2, 3, 4!

After West German takeover Berlin youth were just  
getting used to their new found freedoms:

House, drugs, squats denied despite food and money  
shortages

Since perestroika planet Soviet Union has changed

There's a new world in which young people can work  
together!

Come on - Let's work together!

The most famous suckers are Elvis Presley, James  
Dean

And the most photographed universally known of them  
all - Marilyn Monroe

But the times are changing and you'll see that the last  
chance will be an Atari Teenage Riot

Atari Teenage Riot!

What did you say? What did you say? What did you  
say?

Atari Teenage Riot!

There won't be any experts there to say you should do  
this you should do that

I don't care what anyone does to our records... I just  
don't wanna be looking at it

Come on!

I don't wanna punish people - I wanna punish myself

As much as well with the music I think that's part of the  
reason

But anyway... the last chance will be an Atari Teenage  
Riot

Atari Teenage Riot!  
What did you say? What did you say? What did you  
say?  
Atari Teenage Riot!

Power for those who can fuck it  
Freedom for those who can find it  
Sex for those who can buy it  
Television today never lies  
What did you say?  
Atari Teenage Riot!
