u tried to take me over!

and i want more in my life
what are you willing to sacrifice?
(??)
i'm not as paranoid as you
i'm not as paranoid as you
i'm not as paranoid as you
i'm not as paranoid as you-ANYMORE!

Paranoid!
(you tried to take me) paraniod
(you wanna break me) paraniod!
(you tried to make me) paranoid!

but don't feel paranoid..
