I would die for peanut butter

Go, are you ready?

Start the riot, start the riot, start the riot, start the riot
now

Fight, war, fire, violence, death, police, TV, fuck you
Start the riot, start the riot, start the riot, start the riot
now

Start the riot, start the riot, start the riot, start the riot
now

Start the riot, start the riot, start the riot, start the riot
now

Is this a private joke or are you going to let me in on it?

1, 2, 3, 4

I'm trying to [unverified]

I'm going to be a human

And you think that's a big deal, huh?

Mmm

Tell me something

What's so appealing about being a human anyway?

Well, just because

So

Fight, war, fire, violence, death, police, TV

Start the riot, start the riot, start the riot, start the riot
now

Start the riot, start the riot, start the riot, start the riot
now

Start the riot, start the riot, start the riot, start the riot
now

It won't be long before I'm a human being like you

Come back here you thief

You can't get away with it

Give me that, let go

Yakamo, he's got the statue

Come back here you crook

Yakamo
Oh great
Ahh
