Go boys
Go now
Go fight now

"Smiling faces, crying minds
Safe way to live in this world"
Thatç£— OK, a nice idea
I love me, I can say "No"

Fighting fists, angry soul
Never lose my fighting fists
My dear punks, angry boys
Never lose your fighting fists

City lights and speeding traffic
Concrete wild is this world
You are natives, donç£~ be tourists
If you donç£~ fight, the prey is you

Fighting fists, angry soul
Never lose my fighting fists
My dear punks, angry boys
Never lose your fighting fists

Go boys
Go now
Go fight now

Fighting fists, angry soul
Never lose my fighting fists
My dear punks, angry boys
Never lose your fighting fists

Fighting fists, angry soul
Never lose my fighting fists
My dear punks, angry boys
Never lose your fighting fists

Never lose my fighting fists
Never lose your fighting fists

Go boys now
