When we touch  
I feel something happen  
When we breathe  
All the world is undone

Stay with me  
as my heart surrenders  
Comfort me  
as I fall I cry

Standin' in the rain  
Twisted and insane  
we, are, holdin' onto nothing

Feelin' every breath  
Holdin' no regrets  
We're, still, lookin' out for something

Standin' in the rain  
Twisted and insane  
we, are, holdin' onto nothing

Feelin' every breath

Holdin' no regrets  
We're, still, lookin' out for something

Standin' in the rain  
Twisted and insane  
we, are, holdin' onto nothing

Feelin' every breath  
Holdin' no regrets  
We're, still, lookin' out for something

Standin' in the rain  
Twisted and insane  
we, are, holdin' onto nothing

Feelin' every breath  
Holdin' no regrets  
We're, still, lookin' out for something
