Both sides of your windows  
Something crazy's going on  
Troubles in and outside  
It's hard to tell where you belong  
Time and time again  
Out searching for that silver lining friend  
You keep holding on  
You keep holding on

Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious that I promise  
Anytime you want to spread your wings and fly  
Just say the word  
If what we found is love when you fly back  
I won't be hurt  
Time and time again  
The fire's gonna die and then burn bright  
If we keep holding on  
Yeah, holding on

Love in a world gone mad  
The best thing we'll ever have  
Love in a world gone mad  
And it's so precious  
What's between us two is.....

Time and time again  
You're gonna be my  
Silver lining friend  
We gotta keep holding on
