Yes he's selfish  
Sold for the crime  
Making ways for humankind  
And the pain goes  
Where he want's to  
Making ways for nervous system

Loving love for what she can give but not for her  
She says take me where I can shine  
Take me anywhere

Burn with me and feel the flames  
I'll rise again and penetrate your womb  
Burn with me and feel the flames  
I'll rise again and penetrate your womb

Now he's standing  
Looks for comfort  
From walls around him like an animal

Loving love for what she can give but not for her  
She says take me where I can shine  
Take me anywhere

Burn with me and feel the flames  
I'll rise again and penetrate your womb  
Burn with me and feel the flames  
I'll rise again and penetrate your womb

Loving love for what she can give but not for her  
She says take me where I can shine  
Take me anywhere  
Take me anywhere

Burn with me and feel the flames  
I'll rise again and penetrate your womb  
Burn with me and feel the flames  
I'll rise again and penetrate your womb

And all this nonsense will never get me down  
I'll rise again and penetrate your womb

So burn with me and feel the flames  
I'll rise again and penetrate your womb  
Yes, he's selfish
