"Dances With Devils"

Hell waits for everyone.
It's not a question of belief.
We've sold our souls now we will burn for it.
So give us damnation.
Eternal suffering.

We sought salvation when there was nothing left to
save.
We'll watch the heavens burn tonight.
Praying for an answer when our salvation is death.
As dying voices fade, we're given something to
believe.

Hell waits for everyone, and it will call us each by
name, to take us home
Now.
We will burn for it.
So give us damnation.
Eternal suffering.

We sought salvation when there was nothing left to
save.
We'll watch the heavens burn tonight.
Praying for an answer when our salvation is death.
As dying voices fade, we're given something to
believe.

Pray for us all.
