Nervous with good reason

from...

no no no no no no no

no not not not not no nah

no no

no no no no no no no

no no not much not what watch

Nervous with good reason what

Nervous with no good reason

Nervous with no good reason

no no no no no no no

How come you have another when you look any way
any way?

(*tremolo effects vocals*)

you make your way and we know how

powerful/wonderful/awful(?)

spitting on your house, spit on your house, spit on your
friends and...

look/lock

How come you have another when you look any way
any way?

(*backwards vocals*)

Why?

What we mean is the first thing that we dream

The blood
