The Water is rising
Above my neck
The tide it is pulling me farther
Away from everything
That I have learned to love
Away from everything I love
Pull me back in!

With all this said
I know that you're afraid
And I can't go on without
You next to me
Take me out
Take me now

Oh my God!
The water is getting higher
I need to breathe
Oh my God!
Why is this happening to me
If this is the end the worst is over
And all of this is keeping you calm
Is keeping you safe, is keeping you quiet
And all of this is keeping you calm
Is keeping you quiet, is keeping you safe inside
Again, is keeping you safe inside again

With all this said
I know that you'ree afraid
And I can't go on without
You next to me
Take me out
Take me now

And all of this is keeping you calm
Is keeping you safe is keeping you quiet
And all of this is keeping you calm
Is keeping you quiet
Is keeping YOU! Is Keeping YOU!

OH! Pull me back in
I feel you are at the end

Pull me back in
I feel you have reached the end
It's keeping you safe inside again
It's keeping you, it's keeping you
