Sober now I get the meaning  
Finding out that for you  
Its easier to change  
How could I forget the words of my silence  
How could I forget the scars from my climbing  
Who saw me, who saw me falling  
And you lied when you said  
Id never be like them  
Anyway Im behind  
Im just like one of them  
Get real  
S quien rompe mi voz, mi voz  
Had to sense what you were feeling  
I never heard what  
Was behind your walls  
How could I forget the words of your silence  
How could I forget the scars from my climbing  
And I just turned into one of them  
Ahora soy como uno igual a l
