[Music & Lyrics : Alex COLIN-TOCQUAINE]

I am the spirit of evil  
Back from the dead  
I'm here now out of darkness  
To haunt your fucking nights

I am the spirit of evil  
Back from the dead  
And you'll suffer

I was lost in the darkness searching the light  
Glowing eyes showed me the way out  
Through the tunnel of smoke i ride the light  
And now i'm back to life, you're gonna die

I'm your worst nightmare  
I am the spirit of evil
