To the universal master, prepare the attack, prepare  
his revenge  
His thought and all his preachers will be read to bring  
the snange  
And his mighty power are going to change the face of  
the world  
And you'll be just servant, his slave forever in those  
worlds  
Protected by the universal power, he'll win the battles  
And govern all from his castle  
He'll control each land, land of ice, land of sand  
He's going to clean those lands by killing the wrong  
Worshippers who could stop his reign  
Annihilating the faithless, that's his business to  
preserve his reign  
Low he's the leader, leader of the gods, leader of men  
He manipulates your minds and destroys the brain of  
mankind  
During his reign upon those worlds, he's going to tear  
you  
He awaits the moment to tear all souls and distill the  
brains  
And now time is near, you're going to smelt, it's your  
fate  
It's another suffering, a new way of life, anew way of  
thought  
Now you're under my force, you do what I want and you  
do what I say  
When you'll understand what I wanna do you'll come  
with me  
YOU'LL COME WITH ME
