"Blistering Madness"

Souls ripped away, never see the light again
Broken bodies, twisted mentality
As the wind blows, and wipes the tears from your eyes
Blistering madness, dripping flesh
Lost in the sea of the spirit
Travelling in an infinite vacancy
The dread is gazing in far to clear spaces
Leading the process with a cry
Swallow my lies, absorb my heart as i enchant
Taste my world, satisfy my wish, make me real

See me try, see me become, see me as your God
Desperate moves, paying the price
Forever to live in solitude
Smashing the boundaries of death
A promised land of hate
Lost in the sea of the spirit
Travelling in an infinite vacancy
The dread is gazing in far to clear spaces
Leading the process with a cry
