

## Agretator "Pointless Objection"

Visit "[Pointless Objection](#)" on MotoLyrics.com

Crying mothers, dismembered men  
A world at war  
Hate your friend religious cause  
Payback, old scars  
Searching for promised land  
Primitive, chaos  
My wish, your demise  
Drop dead before my eyes  
Taste, the fear  
Ignore, the kill  
Abolish, the sane

Welcome, the dark  
Bleeding world dictated by terror  
Pointless objection  
No one listens  
Burning bodies  
Innocent victims  
Real life, real pain, real hell  
Taste, the fear  
Ignore, the kill  
Abolish, the sane  
Welcome, the dark
