Why don't you kidnap me for old times' sake
And I'll come break into your house again
I know you love it when I show you that I really care
I've never felt so safe when I'm lying on your favourite
chair
of a new day
a new day, a new day

of a new day, a new day, a new day (3x)

Why don't I break all of the rules we made
Why don't you throw me in the pool just like that day
We used to stay up so very-very late
We used to play our favourite songs until the first sign
of a new day
a new day, a new day

of a new day, a new day, a new day (3x)
