And I know  
You know  
It should be me  
That's holding you  
And I know the pride  
Collides with beauty

And I know  
You know  
It should be me  
That's touching you  
And I know the pride  
Collides with beauty

I'm upside down  
And inside out  
The room's not big enough  
I'm waiting for your love  
Been waiting for your love

Gone round and round  
Falling down  
The floor's not flat enough  
I'm waiting for your love  
Been waiting for your love

Chorus:  
And I know  
You know  
It should be me  
That's holding you  
And I know the pride  
Collides with beauty

It's too much  
It's not enough  
The walls can't hold me up  
I'm waiting for your love  
Been waiting for your love

I'm back and forth  
And forth and back

The window's fogging up  
I'm waiting for your love  
Been waiting for your love
