yeah  
Disarm, fallout  
Yea there's something that knowing and knowing  
something's what it's all about  
So come on, stand out  
Cause running and running is turning something into  
knowing, lookout

Could you believe, you believe (Don't stop looking,  
yeah)  
Could you believe, you believe (Don't stop, yeah)  
Could you believe, you believe (Don't stop looking,  
yeah)  
Could you believe, you believe (Don't stop, yeah)

Just around the corner everything is shining gold  
A new kind of soldier looking for a lot of soul  
Oh yeah

Just around the corner everything is shining gold  
A new kind of soldier looking for a lot of soul  
Oh yeah

This time, your life  
Fractions and seconds make eternity in just one night  
So come on, stand out  
Cause running and running is turning something into  
nothing, no doubt

Could you believe, you believe (Don't stop looking,  
yeah)  
Could you believe, you believe (Don't stop, oh yeah)  
Could you believe, you believe (Don't stop looking,  
yeah)  
Could you believe, you believe (Don't stop, oh yeah)

Just around the corner everything is shining gold  
A new kind of soldier looking for a lot of soul  
Oh yeah

Just around the corner everything is shining gold  
A new kind of soldier looking for a lot of soul

Oh yeah

Could you believe, you believe (Don't stop looking,  
yeah)

Could you believe, you believe (Don't stop, oh yeah)

Could you believe, you believe (Don't stop looking,  
yeah)

Could you believe, you believe (Don't stop, oh yeah)

Don't stop looking, yeah

Don't stop, yeah

Don't stop looking, yeah

Don't stop, yeah
