Have you ever noticed,
That I'm not acting as I used to do before?
Have you ever wondered,
Why I always keep on coming back for more?

What have you done to me,
I'll never be the same I'll tell you for sure

I'll never be the same I'll tell you for sure
I'll never be the same I'll tell you for sure

You really are my ecstasy,
My real life fantasy, oh yeah.

Not that I'm complaining,
A more beautiful vision - I have never seen
If you don't mind me saying,
A lifelong ambition to fulfill my dream

What have you done to me,
I'll never be the same I'll tell you for sure

I'll never be the same I'll tell you for sure
I'll never be the same I'll tell you for sure

You really are my ecstasy,
My real life fantasy, oh yeah

You really are my ecstasy,
My real life fantasy, oh yeah

(There can be no other While we still have each other)
(There can be no other
While we still have each other)

You really are my ecstasy,
(There can be no other
While we still have each other)
My real life fantasy, oh yeah

You really are my ecstasy,
(There can be no other

While we still have each other)
My real life fantasy, oh yeah.
