## "Fine Day"

It's a fine day  
People open windows  
They leave their houses  
Just for a short while  
[Short while short while]  
It's a fine day  
People open windows  
They leave their houses  
Just for a short while  
[Short while short while]

It's going to be a fine night tonight  
It's going to be a fine day tomorrow  
It's going to be a fine night tonight  
It's going to be a fine day tomorrow

La la la la la la [la la]  
La la la la la la [la la]

It's a fine day  
People open windows  
They leave their houses  
Just for a short while  
[Short while short while]  
They walk by the grass  
[They walk by the grass]  
They look at the sky  
[The sky the sky the sky]  
They walk by the grass  
And they look at the grass  
They look at the sky  
[The sky]

It's going to be a fine night tonight  
It's going to be a fine day tomorrow  
It's going to be a fine night tonight  
It's going to be a fine day tomorrow

La la la la la la [la la]  
La la la la la la [la la]

It's going to be a fine night tonight  
It's going to be a fine day tomorrow

It's going to be a fine night tonight

La la la la la la [la la]  
It's going to be a fine night tonight
