Tell me the moment you slip away
Would you speaki»¿ out if you don't believe
Tell me the secrets you'll hide in your grave
We'll just stand down if you won't retreat
Oh I'm not holding a prison, so you can leave
But if it's love it'll make sure you won't need to search
again
And if its good, it'll conquer all the doubt that raged
within

And if it's love...
Well I'll fall when we begin
And if it's love...
Well I'll let you break right in
If it's love...
If it's love...

So promise to pick up the broken glass
When it's my heart that you've run up against
And would you be kind and never look back
When it's my trust that you've gambled and spent
Oh I'm not holding a fixed hand so you can bet
But if it's love it'll make sure you wont need to search
again
And if its good, it'lli»¿ conquer all the doubt that raged
within

And if it's love...
Well I'll fall when we begin
And if it's love...
Well I'll let you break right in
If it's love...

And if it's good it'll conquer all the doubt that raged
within
And if it's love...
Well I'll fall when we begin
And if it's love...
Well I'll let you break right in
If it's love
