So you want to be free?
To live your life the way you wanna be
Will you give if we cry?
Will we live or will we die?

Tainted hearts heal with time
Shoot that love so we can stop the end

Solitary brother
Is there still a part of you that wants to live?
Solitary sister
Is there still a part of you that wants to give?

Solitary brother
Is there still a part of you that wants to live?
Solitary sister
Is there still a part of you that wants to give?

If we try and live your lives
The way you wanna be, yeah

Solitary brother
Is there still a part of you that wants to live?
Solitary sister
Is there still a part of you that wants to give?

Solitary brother
Is there still a part of you that wants to live?
Solitary sister
Is there still a part of you that wants to give?

Racism in among future kings
Can only lead to no good, besides
All our sons and daughters
Already know how that feels
Yeah, yeah, yeah, yeah
