"Missing"

I step off the train
I'm walking down your street
Again and past your door
But you don't live there any more

It's years since you've been there
But now you've disappeared
Somewhere like outer space
You've found some better place

And I miss you like the deserts miss the rain
And I miss you like the deserts miss the rain
Could you be dead?
You always were two steps ahead of everyone

We'd walk behind while you would run
I look up at your house
And I can almost hear you shout down to me
Where I always used to be

And I miss you, like the deserts miss the rain
And I miss you, like the deserts miss the rain
Back on the train, I ask why did I come again?

Can I confess I've been hanging around your old
address?
The years have proved to offer nothing since you
moved
You're long gone but I can't move on

And I miss you, like the deserts miss the rain
And I miss you, like the deserts miss the rain
And I miss you

I step off the train
I'm walking down your street
Again and past your door
But you don't live there any more

It's years since you've been there
But now you've disappeared

Somewhere like outer space
You've found some better place

And I miss you like the deserts miss the rain
And I miss you like the deserts miss the rain
And I miss you
And I miss you like the deserts miss the rain
And I miss you like the deserts miss the rain

The deserts miss the rain
Like the deserts miss the rain
The deserts miss the rain
Like the deserts miss the rain
