(I hate you... but I love you)

I hate you, but I love you  
I can't stand the way you looked at me lately  
Come back, even though we're not the same  
And it feels like going nowhere, but I know where you  
are  
It feels like going nowhere, but I have to move on  
I have to move on  
[x2]

(I hate you... but I love you) [x3]

I hate you, but I love you  
I can't stand the way you looked at me lately  
Come back, even though we're not the same  
And it feels like going nowhere, but I know where you  
are  
It feels like going nowhere, but I have to move on  
I have to move on  
[x2]
