If I go, would you wait? Would you wander
Would you know what Iâ€™m thinking and why Iâ€™m
ashamed
Of the girl I am and the stranger that I became
Hold tight to the heart of an angel youâ€™ll never know
Cuz her face looks more like mine
And it keeps you going just knowing Iâ€™m here tonight

So let me fall, let me love you
Let me free your inner child
Let me sit inside your silence
Let me ease the hurt you hide
Cuz Iâ€™m alive, Iâ€™m unlucky
Iâ€™m a line too fine to trace
But I could be your consolation
If youâ€™d be my saving grace

My wild world is the shape of a sound that canâ€™t be
heard
But it rings when Iâ€™m unraveled by you
Thereâ€™s a quiet storm and my skin gets torn and I
wake brand new
Higher and brighter than yesterday
But Iâ€™m still a dark, mysterious night
When the sun descends and the moon leads you to my
side
So let me fall, let me love you
Let me free your inner child
Let me sit inside your silence
Let me ease the hurt you hide
Cuz Iâ€™m alive, Iâ€™m unlucky
Iâ€™m a line too fine to trace
But I could be your consolation
If youâ€™d be my saving grace

Just reach into the heart of you
Is as simple and true as the love you inspire in me
So let me fall

All I wanna do is reach into the heart of you
All I wanna be is as simple and true as the love you
inspire ã~n me

So let me fall, let me fall
