See me rise, watch me fall -
I'm not steady at all.
Sometimes life hurts like hell -
I know this too well...

When it's dark, the stars come out
And for a moment we are saved.
Yeah, when it's dark, in the darkest hour,
Stars come out...

Birds fly south, winter's blue,
I'll put my faith in you.
Sometimes life hurts like hell -
I know this too well...

When it's dark, the stars come out
And for a moment we are saved.
Yeah, when it's dark, in the darkest hour,
Stars come out...

When it's dark, the stars come out
And for a moment we are saved.
Yeah, when it's dark, in the darkest hour,
Stars come out...
