It's time to make up your mind
It's time to start running
To better keep the faith before it's gone
Another day, a brand new warning
Whatever it takes I'll bring you home

What if we believe in what others cannot see
What if we are the chosen ones
What if I don't mean a word and I'll be gone
But what if we are the chosen ones

It's time to wake up, time to make up your mind
Because we are the chosen ones
It's time to wake up, time to make up your mind
Because we are the chosen ones

If life is just a play
I'll be the curtain
To hide your fears from all the ones
Who always seem to be so certain
You might appear and soon be gone, yeah

Now's the time to let you know
Now and always

What if we believe in what others cannot see
What if we are the chosen ones
What if I don't mean a word and I'll be gone
But what if we are the chosen ones

It's time to wake up, time to make up your mind
Because we are the chosen ones

It's time to wake up, time to make up your mind
Because we are the chosen ones
