You're Not Alone

Open Your Mind

In a way it's a, a matter of time

I will not worry for you, You'll be just fine

Take my thoughts with you, and when you look behind

You will surely see a face that you recognize

You're not alone

Open your mind, Surely it's plain to see

You're not alone, I'll wait 'till the end of time

Open your mind, Baby there's time for me and you

You're not alone, I'll wait 'till the end of time

Open your mind, Surely it's plain to see

It is the distance

that makes life a little hard

two minds that once were close

now so many miles a part

I will not falter though

I'll hold on 'till your home

safely back where you belong

See how our love has grown

You're not alone, I'll wait till the end of time

Open your mind, Surely it's plain to see

You're not alone, I'll wait 'till the end of time

Open your mind, baby there's time for me and you

You're not alone, I'll wait 'till the end of time

Open your mind, Surely it's plain to see

You're not alone

You're not alone

I'll wait 'till the end of time

open your mind

surely it's plain to see
