I look at the horizon  
See the haze and see the lines  
Feet planted on terra  
Slow rise  
Alone in here  
These nights we will freeze in

It's all i want forever  
It's good enough for me  
I'll never go back now  
I won't be going anymore  
It's all i want forever  
It's good enough for me  
I'll never go back now  
I won't be going anymore

Peering out up above  
Seems small in all this space  
I'm no longer alone  
Slow rise  
Alone in here  
These nights we will freeze in  
It's all i want forever  
It's good enough for me  
I'll never go back now  
I won't be going anymore  
It's all i want forever  
It's good enough for me  
I'll never go back now  
I won't be going anymore

Anymore  
Anymore

It's all i want forever  
It's good enough for me  
I'll never go back now  
I won't be going anymore  
It's all i want forever  
It's good enough for me  
I'll never go back now  
I won't be going anymore
