Feel my love, feel my soul
it's so magical
take my hand, make me whole
it's so magical
Can't get you of my mind
what we had is hard to find
I feel this pain inside
but i know
your love, your love
you can set me free
make me see
it's so magical
you and me
we are one, the moon and sun
it's so magical, you'll see
ladida ladidi it's so magical, you'll see
ladida ladidi it's so magical, you'll see
live is good, live is fun
it's so magical
love is here, we are one
it's so magical

Can't get you of my mind
what we had is hard to find
I feel this pain inside
but i know
Your love, your love
you can set me free
make me see
it's so magical, you and me
we are one, the moon and sun
it's so magical, you'll see
ladida ladidi it's so magical, you'll see
ladida ladidi it's so magical, you'll see
so take my heart
cause baby you're the one
feels like magic
what is the feeling
lay me back, inside your heart
your love can set me free
your love, your love
you can set me free
make me see
it's so magical
you and me
we are one, the moon and sun
it's so magical, you'll see

ladida ladidi it's so magical, you'll see

ladida ladidi it's so magical, you'll see

ladida ladidi

ladida ladidi it's so magical
