You say, you can't resist me  
You say, you want me don't come around me  
Don't try to tease me

You think, your love can drive me crazy  
You think, I be your baby, don't fool me  
I know what you're thinking

I swear, I love you honey  
It's true, it's not just lying  
Cause when I look in to your eyes,  
I feel hypnotized

Ahiaia ...

You can call me baby, baby bye bye  
[bye bye]  
I won't be by your side  
You can call me honey, honey bye bye  
[bye bye]  
It's time to say goodbye  
I just wanna have fun, take it deep in the sun  
Ahiaia Ahiaia

You dream, of you and me together  
I think, you wait forever just leave me  
You try to convince me

I swear, I love you honey  
It's true, it's not just lying  
Cause when I look in to your eyes,  
I feel hypnotized

Ahiaia ...

you can call me baby, baby bye bye  
[bye bye]  
I won't be by your side  
You can call me honey, honey bye bye  
[bye bye]  
It's time to say goodbye  
I just wanna have fun, take it deep in the sun

Ahiaia ãfâçâ, -" Ahiaia

Baby, bye bye  
Now itãfâ, 's time to leave you  
Baby, bye bye  
Now itãfâ, 's time to say goodbye  
Baby, bye bye  
Now itãfâ, 's time to leave you  
Baby, bye bye  
Now itãfâ, 's time to say goodbye

You can call me baby, baby bye bye  
[bye bye]  
I wonãfâ, 't be by your side  
You can call me honey, honey bye bye  
[bye bye]  
Itãfâ, 's time to say goodbye  
I just wanna have fun, take it deep in the sun  
Ahiaia ãfâçâ, -" Ahiaia

you can call me baby, baby bye bye  
[bye bye]  
I wonãfâ, 't be by your side  
you can call me honey, honey bye bye  
[bye bye]  
itãfâ, 's time to say goodbye  
I just wanna have fun, take it deep in the sun  
Ahiaia ãfâçâ, -" Ahiaia

bye bye
