### CHORUS 1:

Set me free (3x)  
Stop tearing up my heart  
tearing me apart  
Set me free (3x)

set me free  
I see when you're driving along the highway  
if love like that is shining in your eyes  
I remember everything you have told me  
come on (4x)  
leave me all alone  
why don't you go on home  
so you don't know how happy I will be  
I don't need your love  
I don't want your love  
so come on and set me free

### CHORUS 1

### CHORUS 2:

Set me free (3x)  
stop messing with my mind  
you're wasting time  
set me free (3x)  
can't break your heart  
set me free

If you never wanted to feel my lovin'  
then let me just keep walking on my way  
do you ever think you can change your love life  
your life  
now is the best time to leave it all behind  
you really want to make me feel so blue  
I don't need your love  
I don't want your love  
so come on and set me free

### CHORUS 1

### CHORUS 2

now when did if all go wrong  
I thought love would go on and on and on and on  
want you change  
want you change your life  
set me free

CHORUS 1

CHORUS 2

Set me free (3x)  
can't break your heart  
set me free
