It's Christmas time  
Theres no need to be afraid  
At Christmas time we let in light and we banish hate

And in our world of plenty - we can spread a smile of  
joy  
Wrap your arms around the world at christmas time

But say your prayers - to pray for the others ones  
At Christmas time, its hard but when your having fun

Theres a world outside your window - and its a world of  
dread and fear  
Where the only water flowing  
Is the bitter stream of tears  
And the christmas bells that ring out or the blind  
crowds of reef

Well tonight thank god its them instead of you!!

And there wont be snow in Africa this Christmas time  
(oh no)  
The greatest gift they'll get this year is life  
Where nothing ever grows! - No rain or rivers flow  
Do they know its christmas time at all

heres too you raise a glass for everyone  
heres too them underneath that burning sun  
Do they know its Christmas time at all?

feed the world  
feed the world  
(let them know its christmas time and..)  
feed the world  
(let them know its christmas time and..)  
feed the world  
(let them know its christmas time and..)  
feed the world  
(let them know its christmas time and..)

to fade
