Here I stand
Heart in hand
Listening to the sound of my breathing
A light in the sky
Catches my eye
I recall a forgotten wish

Voices in
A lonely wind
Promise some hope of hidden meaning
If I open my heart
Will I find a spark
That will show me more than this...

Shadows in a mirror
Shadows in a mirror
Will my heart's dream set me free?
Without love... life may be, life may be
Shadows in a mirror
Shadows in a mirror

Strangers meet
Two hearts beat
Sensing a familiar connection
Destiny calls
Through centuries of walls
And the memory of a kiss

Face to face
In this place
Maybe we will see our reflection
If we try to hide
Behind fear and pride
We will not see more than this...

Shadows in a mirror
Shadows in a mirror
Will my heart's dream set me free?
Without love... life may be, life may be
Shadows in a mirror
Shadows in a mirror

(Without love)
Will our heartsÂ' dream set us free?
Without loveÂ... life may be, life may be
Shadows in a mirror
Shadows in a mirror
