Valmara, Valmara, Valmara flechettes  
Kiss me with the lisp of your shrapnel caress  
Lost this arm, lost this leg, lost this diving board  
Just a belly flopped proposal of let's be friends

Tour de force, tour de force, defacto  
Ayuchuco, ayuchuco, ayuchuco

Prosthetic, prosthetic, prosthetic blemish  
Necro is the velcro on the charred appendage  
Carterize solder gun in the melting of seeds  
Oh dear, God what a tangled web we weave

Tour de force, tour de force, defacto  
Ayuchuco, ayuchuco, ayuchuco

All we are a failed attempts  
Propelled by stilt leg presidents  
Incarcerate the mason fence  
Like flechettes, flechettes, flechettes

I'm not biting the lead, my pencil's broken again  
We will fill in the blanks so you can cheat off your  
Flechettes, flechettes

I'm not biting the lead, my pencil's broken again  
We will fill in the blanks so I can cheat off your

Tour de force, tour de force, defacto  
Ayuchuco, ayuchuco

Tour de force, tour de force, defacto  
Ayuchuco, ayuchuco, ayuchuco

All we are a failed attempts  
Propelled by stilt leg presidents  
Incarcerate the mason fence  
Like flechettes
