Chances are you've heard this
But your headphones mute your equilibrium
Hearing tests the mattress hit the mistress fooled
But nothing ever felt this good
Wake you up and shake you
But your motor skills still speak in slurs

Court jester don't kill the humor
Court jester don't kill the humor

Chances are you've curved this
The volume of the speakers must be proud
Don't change your tune a princess' work is never done
In the bed and breakfast beck and call
Wake you up and shake you
But your motor skills still speak in slurs

Court jester don't kill the humor
Court jester don't kill the humor
Eeyore chase your own, Eeyore chase your own
Court jester don't kill the humor
Court jester don't kill the humor

Brown shirt Italian cut
Goose step and call our bluff
Will your ears ring the tetinitus chorus goes
Will the decibels work as bifocals

Brown shirt Italian cut
Goose step and call our bluff
Will your ears ring the tetinitus chorus goes
Will the decibels work as bifocals

Chances are you've heard this
Chances are you've curved this again
Don't change your tune
In hearing tests again

Court jester don't kill the humor
While you court jester don't kill the humor
I can court jester don't kill the humor
Eeyore chase your own, Eeyore chase your own

Court jester don't kill the humor

Brown shirt Italian cut
Goose step and call our bluff
Will your ears ring the tetinitus chorus goes
Will the decibels work as bifocals

Brown shirt Italian cut
Goose step and call our bluff
Will your ears ring the tetinitus chorus goes
Will the decibels work as bifocals

Brown shirt Italian cut
Goose step and call our bluff
Brown shirt Italian cut
Goose step and call our bluff

Chances are you've heard this
Chances are you've curved this again
