Kid Creole killed all of his own people
Instigate the beat genuflecting in the steeple
Video killed what we once stood for
Who we gonna look to now?

If these walls could speak
I wouldn't tell them anything
Don't ask me, don't ask me

If these walls could speak
I wouldn't tell them anything
Don't ask me, don't ask me

Kid Creole killed all of his own people

Don't ask me, don't ask me

If these walls could speak

Tell them anything, tell them anything

Press eject and give me the tape
If you know what's good for you
What's good for you

Press eject and give me the tape
If you know what's good for you
What's good for you

Press eject and give me the tape
If you know what's good for you
What's good for you

Ghetto blasting on the basement floor
Ghetto blasting on the basement floor
Ghetto blasting on the basement floor
Ghetto blasting on the basement floor

If these walls could speak
I wouldn't tell them anything
Don't ask me, don't ask me
