Beneath the residue of film  
Beneath the chemicals that the picture split  
The ouija board had spelled its name  
In tiki torches set aflame

Taking rations from the ballet box  
Cursing like sweet tarts  
Cursing like sweet tarts

Increase the dosage  
Count back from 10  
Increase the dosage  
Count back from 10

When it was written down  
Touching earth in a capital faunt  
Heat seeking, gums bleeding  
Fingers snapping at the catacomb stabbings

Taking rations from the ballet box  
Cursing like sweet tarts  
Cursing like sweet tarts

?Adhesive? she said  
?Don't stick to me?  
?Adhesive? she said  
?Wait, don't stick to me?

?Adhesive? she said  
?Don't stick to me?  
?Adhesive? she said  
?Don't stick to me?

Inseminating motives of lukewarm persistence  
Let the thieves in through the front door  
Let them take what they've been missing  
Let them take what they've been missing

Inseminating motives of lukewarm persistence  
Let the thieves in  
Let them take what they've been missing

It's as if someone raised the price of dying  
To maximum vend again

Turn slowly for maximum vend  
Turn slowly for maximum vend  
Turn slowly for maximum vend  
Turn slowly for maximum vend

Don't stick to me  
Count back from 10
