So what comes now
Run through the answers and you can feel the
scratching
Get down

This breed bring it against so coy
A levitated incubation
Instincts with imprinted cryptic code
A dotted line hit return dash dash
If you took the time to unmask
Retrace the mockers of intemperance

In with the herd
Split poison ivy scratch rash
This calamine lotion made my skin feel good
Right before me they sat
A snitch inaugurated
Lets slip the hunger of these carnivores

This kin is a knock knock knocking on your door
Is it welcome if it happens
Heart sowed a trick-or-treat overture
With this promiscuous livestock
Every day is November first in this Sodom and
Gomorrah

Get down
Run through the answers and you can feel the
scratching
Get down, yeah

This coup was made of incognito
This coup was made of incognito
This coup was made of incognito

In with the herd
Split poison ivy scratch rash
This calamine lotion made our skin feel good
Right before me they sat
A snitch inaugurated
Lets slip the hunger of these carnivores

Get down
Run through the answers and you can feel the
scratching
Get down, yeah yeah yeah

Quartets from the heir to the throne
Quartets from the heir to the throne
Quartets from the heir to the throne
