got to get to the head of the crowd
got to get in front of a line

take it like a man [x3]

*got to get to the head of the crowd (now)
got to get to the front of the line*

take it like a man [x3]

*well i know something i won't brag about
painted and useless
laughing immortal
call me soul for sixty four then
cubicle movement
cubicle
a movement*

*got to get to the head of the crowd
got to get to the front of the line*

take it like a man [x3]

*get to get to the head of the crowd
got to get to the front of the line*

take it like a man [x3]

*watch right we're the hordes that lenin failed
gonna take a debt so don't tell me it's over
who is going to make things over
cubicle movement
cubicle
a movement*

*now trigger pull
we have a crying little people disaster
now trigger
yeah do it
little bit little bit little bit yeah yeah
now trigger
yeah yeah yeah*
