strike this match
and let loose the oven's breath
up the volume that
flirts with the UHF

swipe the magnet on the audio tape
these arsons of grand larceny
keep running...keep running in place
achilles tendon
severed from the race

quick to the throat
in this ink cartridge funeral
marble caps lock
zip code affiliate
you got a run on your pharmaceuticals
you better change it
before the night grows old

set the temperature on delete
keep running...keep running in place
let's hit the neighborhood today

you got a run on your pharmaceuticals
you better change it
before the night grows old
prescriptions filled
now cut your suit and tie cuticals
you cut your fingernails way too short

what if forensics finds the answers
what if they stole my fingerprints?
where did i leave my book of matches?
we'll find you... we'll find you...
