taser taser kindergarten nap nap time
pacifier pacifies
highchair crumbles unannounced
like a draft from outside
pacifier pacifies
beacon shined a light from the faulty tower
pacifier pacifies
colossal in tons, unknowing it wants
pacifier pacifies
atop this podium built of fixation
they like to chock
all utensils are fixed on you

cranes perched in scows, in the windows they would
peek
pacifier pacifies
snuck inside the sound of sleep
pacifier pacifies
don't sweat the hemorrhaging gland
don't sweat the hemorrhaging gland
pacifier pacifies
feast upon your illness
and let the puppet strings sag
pacifier pacifies
atop this podium built of fixation
they like to choke
all utensils are fixed on you
atop this podium split in confession
dripping with drool from the nerves
of this sentence
dripping with drool from the nerves
of this sentence

lazarus threw the party
lazarus threw the fight
snuck inside the sound of sleep

cloak a dagger plot
her sovereign majesty
pacifier pacifies
bullet ridden with vermin

be it the peasant stark frenzy
pacifier pacifies
held onto its tusks, naked and disrobed
pacifier pacifies and the emperor still wears no clothes
