Taser taser kindergarten nap nap time
Pacifier pacifies, yeah it pacifies
Highchair crumbles unannounced
Like a draft from outside
Pacifier pacifies, yeah it pacifies
Beacon shined a light from the faulty tower
Pacifier pacifies, yeah it pacifies
Colossal in tons, unknowing it wants
Pacifier pacifies, yeah it pacifies

Atop this podium
Built of fixation
(they like to choke)
All utensils fixed on you

Cranes perched in scows, in the windows they would
peek
Pacifier pacifies, yeah it pacifies
Snuck inside the sound of sleep
Pacifier pacifies, yeah it pacifies
Don't sweat the hemorrhaging gland
Don't sweat the hemorrhaging gland
Pacifier pacifies, yeah it pacifies
Feast upon your illness and let the puppet strings sag
Pacifier pacifies, yeah it pacifies

Atop this podium
Built of fixation
(they like to choke)
All utensils fixed on you
(they like it)

Atop this podium
Split in confession
(they like it)

Bullet ridden with vermin be it the peasant stark frenzy

Held onto it's tusks, naked and disrobed

And the emperor still wears no clothes
