Pigeon holed decision making
All my mind's made up
I only colored outside the lines
'Cause I got the knack

Stenciled teen initials
That were carved on the roof of my mouth
Only to bark the words of so and so
Fuck so and so, so and so

I've been dancing in the bathroom stalls
Excreting words just for this song
Well, I'm kickin' in windows
An' it don't make music to me

Please get some medication
Simple, it's simple to get
We must die with dignity
Please get some medication
Simple, it's simple to get
We must die
Please get some medication
Simple, it's simple to get

Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears
Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears

Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears
Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears

Kickin' in these windows
Kickin' in these windows
On the roof of my mouth
I'm gonna bark the words

On the roof of my mouth
I'm gonna bark it

Kickin' in these windows
In these windows
On the roof of my mouth
I'm gonna bark the words
On the roof of my mouth

Kickin' in these windows
Kickin' in these windows
On the roof of my mouth
I'm gonna bark the words
The roof of my mouth

Tickling with contusions
Paper bag masks hiding infantile music
No pictures, just words
Are you afraid of our books?
Illiterate cells for the valley of mules

Well, I've been dancing in the bathroom stalls
Excreting words just for this song
Well, I'm kickin' in windows
An' you know what, it just don't make music to me

Please get some medication
Simple, it's simple to get
We must die with dignity
Please get some medication
Simple, it's simple to get
We must die with dignity
Please get some medication
Simple, it's simple to get
We're gonna die

Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears
Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears

Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears
Pallbearer we are and all that
We never get and all my little pushes
Fall on your deaf ears

Kickin' in these windows

It's on the roof of my mouth
I'm gonna bark the words
It's on the roof of my mouth

Kickin' in these windows
Kickin' in these windows
On the roof of my mouth
I'm gonna bark the words
On the roof of my mouth
I gotta make this, kickin' in these windows
