Oooo... ooo...  
Oooo... ooo...  
Oooo... ahhh...

Where walks my true love?  
Where does she wander?  
We may be dreams apart...  
Or just a smile away.

Where goes my true love?  
My only true love?  
Has she an eager heart...  
That longs for mine today?

I'll know my true love...  
Don't ask me how or why.  
How does the first star know it's place...  
In the evening sky?

Where 'er my true love...  
There will I find her.  
Though we be dreams apart...  
Or just a smile away.

My heart tells me today...  
May be the day.

[Instrumental interlude]

I'll know my true love...  
Don't ask me how or why.  
How does the first star know it's place...  
In the evening sky?

Where 'er my true love...  
There will I find her.  
Though we be dreams apart...  
Or just a smile away.

My heart tells me today...  
May be the day.
