~~~ TRANSLATION ~~~

Merry Christmas. My song for you

A white sigh, the cold wind stings my cheeks  
My frozen fingertips touch the fallen snow

The sound of the holly bells, the resonating singing  
voices  
Everyone all over the world believes  
In the power of this day

Merry Christmas. My song for you  
I pray your wish will come true  
Santa Claus, please come  
To everyone town  
Merry Christmas. I sing. With you  
If our wishes come true  
We'll all join hands and become angels  
Shining, we'll be reborn

The swaying tree, decorated with shining light  
The candle light is so bright, I close my eyes

The words of prayer, the plam of the helpiong hand  
Everyone all over the world is waiting  
For the spell of this day

Merry Christmas. My song for you  
I pray your wish will come true  
I know presents will arrive  
For everyone  
Merry Christmas. My song for you  
If our wishes come true  
We'll cross the sky and become angels  
Flapping our wings, we'll be reborn

Merry Christmas. My song for you  
I pray your wish will come true  
Santa Claus, please come  
To every town  
Merry Christmas. I sing. With you  
If our wishes come true

We'll all join hands and become angels  
Shining, we'll be reborn

I know presents will arrive  
For everyone  
Merry Christmas. I sing. With you If our wishes come  
true We'll all join hands and become angels Shining,  
we'll be reborn
