I fuck you, then I leave  
And I dirty up your sheets  
And then I run  
You've come undone

I tell you you're the one  
Just long enough to come  
You think I'm dumb  
You think I'm dumb

When I use you everyday  
And you think I'm getting played  
But I'm having all the fun

Let's have some fun

I'm not your girlfriend  
I don't have to call  
I don't wanna need you  
I am

Not your girlfriend  
You don't have to call  
I don't wanna need you  
I just want to  
I just want tonight

Well I fuck you, then I leave  
And I break your knees  
Before you run  
If I'm not done

I tell you you're the one  
Just long enough to come  
Who's dumb?

I use you everyday  
And you think I'm getting played  
But I'm having all the fun

I'm not your girlfriend  
I don't have to call

I don't wanna need you  
I am

Not your girlfriend  
You don't have to call  
I don't wanna need you  
I just want to  
I just want tonight

I don't want your number  
Well, I don't want your last name

I don't want to meet your mother  
Unless she's better or the same

Oh, hit and run, don't be gun shy  
Just until you say goodbye  
I'll be okay, I'll be all right  
I just want you for tonight

I don't have to call  
I don't wanna need you  
I am

Not your girlfriend  
You don't have to call  
I don't wanna need you  
I just want tonight

Come and go  
Come and go  
Come and go
