Start a revolution aimee allen Birds of prey theme song

hey kids rock and roll that's how i lost controll
hey kids go get high i can't remember why..
up all night..i waste my time
I am fine but a day behind up all night being stupid and
happy but the days are overlapping my days are
overlapping..

I'd start a revolution..if i could get up in the morning

I'd start a revolution...if i could get up get up

start a revolution start a revolution ..if i could get up get
up

start a revolution start a revolution ..if i could get up in
the morning.

We everyday is the weekend i stay up so i sleep in.
Hey everday there's a reason just do it all over again

up all night..i waste my night
i am fine but a day behind up
all night being stupid and happy but the days are
overlapping.
My days are overlapping..

I'd start a revolution..if i could get up in the morning

I'd start a revolution...if i could get up get up

start a revolution start a revolution ..if i could get up get
up

start a revolution start a revolution ..if i could get up in
the morning.

..if i could get up in the morning. get up ..get up.. Get
up

all the things that i do you tell me not to.. start walking

in my shoes but you 4 5 6 am I'm up all night again.

I'd start a revolution..if I could...I start a revolution..if I
could get,up get up

start a revolution start a revolution ..If I could get up get
up

start a revolution start a revolution ..If i could get up in
the morning.

If I could, get up get up.....
