Upside down  
(Upside down)  
Upside down

My grades are down from A's to D's  
I'm way behind in history  
I've lost myself in fantasies  
Of you and me together

I don't know why, but dreamin's all I do  
I won't get by on mere imagination

Upside down, bouncin' off the ceilin'  
Inside out, stranger to this feeling  
Got no clue, what I should do  
I'll go crazy if I can't get next to you, to you

My teacher says to concentrate  
So what his name is Peter 'The Great'  
But kings and queens will have to wait  
'Cause I don't have forever

I wish that I could walk right up to you  
Each time I try, the same old hesitation

Upside down, bouncin' off the ceilin'  
Inside out, stranger to this feeling  
Got no clue, what I should do  
I'll go crazy if I can't get next to you, to you

Somehow, someday  
You will love me too  
One day will be the day  
When all my dreams come true

Upside down  
Yeah yeah yeah yeah

Upside down, bouncin' off the ceilin'  
Inside out, stranger to this feeling  
Got no clue, what I should do  
I'll go crazy if I can't get next to you

Upside down, bouncin' off the ceilin'  
Inside out, stranger to this feeling  
Got no clue, what I should do  
I'll go crazy if I can't get next to you

And I'll go crazy if I can't get next to you  
And I'll go crazy if I can't get next to you
